The sawing, planeing, morticing, moulding, style and Firm of Rawlind, Menten & Co. Civil and turning machines are of the latest and most perfect kind, and all work entrusted to the undersigned will be graranteed to be turned out with a rapidity and in a style with which hand-labour and workmanship.

Terms can be aspertained on application at Shanghai. the Mills, West Point, DARRELL & Co. tf 1874 Hongkong, 11th July, 1805 ---A. CARD.

TROFESSOR WHEELER, would respectfully Public to the importance of having the Hair Cut, under the Style of KINDEAR & Co. W. B. KINNEAR. Appropriate to the Individual is the cut of the Hair: there can be no fixed or prevailing fashion without destroying almost universally the harmony of the four ensemble. Indeed as diverso at is the contour of the human head and facial outline, lust sopeouliar should be the trim and arranges ment of the Hair. This fact is acted upon by only those Hair-Cutters who possess an inherent judgment in matture of taste, cultivated and improved by incessant study and application. Of this rare class. Professor WHEELEE, humbly claims to be one, and the Only One in this Colony, and he. medestly but confidently invites all who may be distrustful of his ability to give him at least a trial before pronouncing an adverse opinion. Ho may be found at all hours of the day in his Apartments adjoining the Private Entrance of the of 1900 Hongkong, 21st July, 1865

I EING obliged to leave Hongkong on account O of ill health. I recommend all my patrons who wish their Hair Cut and Dressed Artistically to call on Professor Wheeler, being the only one who theroughly understands his Profession in
